How do I request time off?

Last september we introduced a new system for managing vacation times. Now the question is:...

Firstly, we would like to show you how you can build a **SharePoint Site** to give new members of your team an **overview** and some orientation on where to find what for their day-to-day work.

Then, we would like to have a look at how you can use [Microsoft Teams](#) effectively to [communicate in context](#) easily and help your team to keep the overview and get stuff done.

And last but not least...

We would like to show you how you can use [Delve](#) to support your team members in finding the right [contact partner](#).

Are you ready?
