THE INTEGRATION OF SMARTERPATH

How it all started.

We would like to give you a brief overview on the company's history.

How it all started_EN.docx

How it all started

The story of our company.

In 2012, on a sunny Sunday, Andreas and Lisa sat in a café in Berlin to talk about life. They had a topic that came up repeatedly: it was about the challenge many people were facing to deal with all the new tools available, sometimes it felt like there were several new tools available per week. They wanted to come up with a solution to support people who felt overwhelmed. This is when the idea for Treehouse Inc. was born.

The two talked to some friends who encouraged them to go to MeetUps and conferences to meet people and discuss their ideas further...

Tell a story with an already **existing Word file** by just including it in your path.
