GET TO KNOW OFFICE 365

Pokeshot Support

We're happy to support you!

In fact it's included with your service!

Our experts help you boost employee adoption to get the most out of Office 365.

Pokeshot consultants support organizations in

- using existing content to ease Office 365 onboarding
- introducing users to new tools such as SharePoint, Yammer, etc.
- using innovative workplace initiatives like W.O.L. and 70:20:10
- preparing and supporting change.
