Get back to your recent documents and email attachments

Others will only see documents that they have access to and email attachments that you've sent to them. [Learn more about](#)

The screenshot displays three document recommendation cards in the Delve interface. Each card features a profile picture of 'You' and a modification date. The first two cards are for PDF documents titled 'SmarterPath for Office365 Cr...17-11-27' and 'SmarterPath for Office365 A...7-11-27', both modified on Tuesday. The third card is for a Word document titled 'Knowledge Base for Partners - 2', modified on December 1. Each card includes the SmarterPath logo, a document icon, and a three-dot menu at the bottom.

With Delve, find out who is working on similar topics.
